

**Something Tells me I'm into  
Something Good**

Woke up this morning feelin' fine  
There's something special on my  
mind  
Last night I met a new girl in the  
neighborhood, whoa yeah  
Something tells me I'm into  
something good  
(Something tells me I'm into  
something)

She's the kind of girl who's not too  
shy  
And I can tell I'm her kind of guy  
She danced close to me like I  
hoped she would (She danced with  
me like I hoped she would)  
Something tells me I'm into  
something good (Something tells  
me I'm into something)

We only danced for a minute or two  
But then she stuck close to me the  
whole night through  
Can I be fallin' in love?  
She's everything I've been dreamin'  
of  
(She's everything I've been dreamin'  
of)

I walked her home and she held my  
hand  
I knew it couldn't be just a one-night  
stand  
So I asked to see her next week  
and she told me I could  
(I asked to see her and she told me  
I could)  
Something tells me I'm into  
something good  
(Something tells me I'm into  
something)

I walked her home and she held my  
hand  
I knew it couldn't be just a one-night  
stand  
So I asked to see her next week  
and she told me I could  
(I asked to see her and she told me  
I could)  
Something tells me I'm into  
something good  
(Something tells me I'm into  
something)  
Something tells me I'm into  
something good  
(Something tells me I'm into  
something)  
To something good, oh yeah,  
something good  
(Something tells me I'm into  
something)  
To something good, something  
good, something good
