

Some Enchanted Evening

Some enchanted evening, you may see
a stranger,
You may see a stranger across a
crowded room,
And somehow you know, you'll know
even then,
That somewhere you'll see her again
and again,

Some enchanted evening, someone
may be laughing,
You may hear her laughing across a
crowded room,
And night after night, as strange as it
seems,
The sound of her laughter will sing in
your dreams,

Who can explain it, who can tell you
why?
Fools give you reasons, wise men
never try

Some enchanted evening, when you
find your true love,
When you hear her call you across a
crowded room,
Then fly to her side and make her your
own,
Or all through your life, you may dream
all alone,

Once you have found her, never let her
go,
Once you have found her, never let her
go.
