

## You've Got a Friend

When you're down and troubled,  
And you need some love and care,  
And nothing, nothing is going right  
Close your eyes and think of me,  
And soon I will be there  
To brighten up even your darkest night.

*Chorus:* You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you grows dark and full of clouds  
And that old north wind begins to blow  
Keep your head together and call my name out loud  
Soon you'll hear me knocking at your door

*Chorus* (without the last "you've got a friend")

Now, ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you, yes, and desert you  
And take your soul if you let them,  
Oh, but don't you let them

*Chorus*

You've got a friend  
Ain't it good to know, you've got a friend?  
Ain't it good to know?  
Ain't it good to know?  
Ain't it good to know, you've got a friend?

yeah... Oh yeah, now - Oh, you've got a friend - You've got a friend - Oh

You've got a friend
